The Board continued their review of the Personnel Policy as follows:

Minutes of Workshop Meeting of Tuesday, August 14, 2012:

Alison Vallieres, Recording Secretary, asked for verification of Item 7. of the minutes of the Workshop Meeting of August 14, 2012 as follows under 7. Page 19 - Paragraph re Vacation leave:

Stated that she had not understood what the Selectmen had finally ended up with but the note in parenthesis was for discussion purposes only. In addition, these minutes were a draft for review at this point.

The Selectmen agreed on the wording to be as follows:

"Vacation time is accumulated from the date of hire but cannot be used until completion of Probationary Period. On January 1 of each year, all full-time employees receive Vacation time according to the following schedule:

<table>
<thead>
<tr>
<th>Years of Continuous Service</th>
<th>Vacation Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 year</td>
<td>40 hours or 5 days (one week)</td>
</tr>
<tr>
<td>2 years</td>
<td>80 hours or 10 days (two weeks)</td>
</tr>
<tr>
<td>5 years</td>
<td>120 hours or 15 days (three weeks)</td>
</tr>
</tbody>
</table>

Ron Wanner noted that the day of the week that the meeting was held was not Thursday as noted in the heading but Tuesday. This was changed on the final draft of the minutes.

PATRICK BOWNE, TRANSFER STATION MANAGER:

At this point in the meeting, Patrick Bowne, Transfer Station Manager, came into the meeting to discuss the options for purchasing either a new motor for the baler or having it rebuilt. Estimated costs were as follows:
1. $600.00 - Rebuild the motor for single phase
2. $943.00 - Purchase a new motor for single phase
3. $767.85 - Purchase a new motor for three phase (This also involves purchasing a convertor for between $2,500 and $3,000)

Patrick Bowne stated that Atlantic was going to be at the Transfer Station tomorrow along with Ernie's Electric to hook up the new baler. Hopefully, by tomorrow the new baler and the donated used baler will be up and running.

Patrick Bowne stated the company has said they will not warranty baler motors for Dunbarton Transfer Station due to the fact that they have had so many issues with them in the past. The motor which just let go was rebuilt in November 2011.

At this point in time, there will be two balers on three phase power and if we decide to purchase a new motor for one phase, there will be two balers on one phase power.

After discussion, the Board of Selectmen reached the following decision with regard to the replacement baler motor:

MOTION:

Ted Vallieres made a motion that the Dunbarton Transfer Station purchase a new single phase motor for the baler at the Transfer Station. Ron Wanner seconded the motion. The motion passed unanimously.

Page 20 - PERSONAL DAYS

It was noted that the requirement for earning Personal Days was not to use Sick Leave throughout the year. Based on this information, the Selectmen noted we should either just add two days to accumulated Vacation leave or take it out.

After discussion, the Board of Selectmen agreed to take out Personal Days completely.

Page 30 - JURY DUTY/WITNESS LEAVE
The Board of Selectmen agreed to take out the last sentence in the paragraph relating to Jury Duty so it reads as follows:

"The Town of Dunbarton considers it a civic duty to serve on a jury if summoned and will grant full-time employees leave in order to serve on a jury. An employee shall be excused from employment for the days or days required in serving as a juror or witness in any court of the United States or the employee's state or residence. For part-time and temporary employees, jury or witness duty will be considered an excused unpaid absence. Any compensation received by the employee for Jury Duty must be given to the Town once compensation is received by the employee from the Court."

NOTE: This paragraph should be revisited because a final decision was unclear as to number of days, etc.
