Meeting Opening
Called the meeting to order at 7:28 PM

Minutes of March 5, 2019
Justin made a motion to accept the minutes of the March 5 meeting as read, seconded by Judy Stone, third-Judy Keefe.

James Terrill
Before the meeting was called to order Judy Stone received phone call from Jim Terrill wishing to inform the board that he had traveled to Florida to visit with his parents. After talking with them, his father decided that he would rather have his cremains interred at Alton Bay. Also, the same for his mother. In January, the Board sent Jim the paperwork to purchase two lots (110A & 110B) in Pages Corner cemetery. Jim apologized for having us do the work and offered to pay. Judy assured him that it is not necessary. We will unmark on the map where the lots were saved, and remove his folder from the file.

Duane Coventry
Duane appeared before the Board to ask about purchasing a lot in Pages Corner Cemetery. He had already printed off the regulations and price list from the Town website. He was curious about having cremains buried in a full lot. We showed him the choices he can have in both sections of Pages, and explained how the burials work. We also gave him a new price sheet, as he had a copy of the older one. He will check out the old and new sections of the cemetery and get back to us.

Cemetery Lawncare
Justin made a motion, seconded by Judy Stone, then Judy Keefe, to hire ASAP Landscape & Design of Bow, for a two-year contract. They will have to provide the town with proof of insurance.
Gravestone Maintenance
Judy received an email from Keith Racine of Cornerstone Cemetery Services, answering her request to walk the cemeteries in the Spring checking to see what gravestones need work. Keith replied that because of a heavy workload in the Spring, he would like to wait until after Memorial Day.

Next Meeting:
The next meeting will be held on May 7, 2019.

Adjournment
Justin made a motion to close the meeting at 8:14, passed

Respectfully submitted,

Judith Stone, Secretary
