Location: Dunbarton Town Office

Trustees Present
Don Larsen, Chairman
Justin Nault
Judy Stone, Secretary
Judy Keefe, Alternate

Members of the public
Kay Herrick
Jeff Crosby
Duane Coventry

Meeting Opening
Called the meeting to order at 7:02 PM

Minutes of, 2019
The Minutes of the May 7, 2019 were read and accepted as written.

ASAP LANDSCAPING
There was a misunderstanding over payment of the invoices. ASAP anticipated that they would be paid at the first of the month before the work was done. Don spoke with them to inform them that the Town does not pre-pay invoices. They are requesting a check for $500.00 for Spring cleanup. Don made a motion to pay $500.00 to ASAP, seconded by Justin. Passed by all. All of their future invoices will be paid at the end of the month.

Burials
Marion Crosby
Kay Herrick and Jeff Crosby came in to discuss the upcoming burial of their mother, Marion, on June 20th. Marion has been cremated and will be buried in the family plot, Lot 103, at Pages Corner, next to her husband, Robert Crosby. There are four lots in the plot and the Crosby family was inquiring as to how many cremains can be put in each lot. As Marion will be buried in a separate lot from Robert, there are two remaining lots left. Each one will hold three cremains each. Also discussed was installing flat stones with the names on the lots.

Fred Mills was buried at Pages Corner Cemetery on May 13, 2019.

Leslie Hammond buried at the Center Cemetery on June 1, 2019.

Sale of Lot
Duane Coventry met with the trustees to purchase a lot at Pages Corner, Mills Section. After looking at the map, he chose, Lot #318A, which is a single lot.
Pages Corner Cemetery
Discussed with Jeff Crosby the building of the gravel road in the cemetery. Jeff is waiting for the land to dry out.

CIMS
Judy Stone gave a report on the mapping work at Pages Corner. Fred Mullen put in a lot of time working with Judy trying to get a map of the old section that CIMS can use to get the maps finished. There was a lot of trouble getting a satellite view of the cemetery through Google Earth because of the trees. Fred discovered that if, while in Google Earth, a different view can be seen by turning back the clock to May of 2016. They then went to the cemetery and with a handheld GPS was able to print out the lines of the cemetery. Pictures were taken at various places to show the boundary line, etc. Judy put together a computer folder with all the information and called CIMS. They were able to enter her computer to upload the folder, and are sure it will be a big help in their work.

Kelly Ziter
Update on her father’s burial in the Weatherbee Plot. Kelly informed Judy Stone that she will not be coming to Dunbarton this summer with her father’s ashes. There is more on this in the May 7 minutes.

Jim Morin
Update from May 7 meeting. Judy Stone called Keith Racine about fixing up the grave. Because of the busy season, he said that the cost would be $500.00. Don and Judy Stone went to the gravesite, and Don dug up the corner stone and leveled it, and hacked away at the bush. When Judy had talked to Jim, he just asked that the bush be cut back if it cannot be removed.

Signs
Don received two bids for three signs. The bid from Sousa Signs, LLC was for $3,105. After talking more with them they still came out high. He received a bid from Scott at Rowland Studios in Concord for $2,745.00. The signs will be made from PVC. This does not include the hardware. We will work on reusing the hardware on the current signs. They require a 50% down payment for materials.

Don made a motion to accept the bid from Rowland Studios for $2,700.00 for three new cemetery signs, seconded by Judy Stone, passed by all.

Cremains Garden, Center Cemetery
Don has been in contact by way of email, including pictures of the garden, with Corwin Muhonen of MPC Construction for work on the paths in the cremains garden.

Sixth Grade volunteer work
Judy reported that on the 17th of May the sixth grade came over to the Center cemetery to help Fred & Lee Mullen put flags on the Veterans graves. This year they did not have to trim around the flat stones, but they did brush off the grass and picked up sticks around the cemetery.
Next Meeting
The next meeting will be held on July 2, 2019

Adjourn
The meeting adjourned at 8:22 PM

Respectfully submitted

Judith Stone, Secretary
