Cemetery Maintenance
Talked with Arthur St. Laurent about the road work. He gave us his most recent invoice for work.
Don asked Arthur about brush left by the McCubbin’s fence. Mr. St. Laurent stated that he is very careful when working near the property line. He is willing to clean up along the fence line, but will not going to clean up McCubbin’s side. Don Larsen will talk with Mr. McCubbin.
Mr. St. Laurent mows the lawns every week when grass is growing well, and talked about fertilizer the lawns.

Mark Lang
Mark asked if the trustees would object to his choice of a stone marker. Would like clarification of regulations regarding the height of stone. According to our regulations the stone the stone height is 24” from the top of the base. The base is 6” of which 2” would be buried in the ground. These measurements would make Mark’s stone 2 inches to high. The trustees looked over the regulations and will check to see if they can get a variance. Mark also expressed concern about the grave near his where the ground is quite soft.
Star Granite Company of Concord will be making the marker for Mark.
