Members of the Public Present:
KERRY COOK

Meeting Opening
Don Larsen called the meeting to order at 6:04PM.

Frances Cook Headstone and burial site.
Kerry Cook came to the meeting to discuss the Cook plot. Her mother is buried between lots 3 and 4. This error happened because the corner markers were set six inches off. Because of the error the base for a monument was placed over the lot line.
No solution was reached at this meeting.

Mark Lang
Mark had attended the May 2 Cemetery Trustees meeting to talk about the size of a headstone. The rules stated the maximum height is 24” from the top of the base. This is three inches shorter than the stone he has picked out for his wife.
The consensus of the trustees is that Mark can proceed to have his stone made and installed. He would like to have this done for Memorial Day.

Poppies for Veterans
Donna Dunn, Chair of the Dunbarton Historical Awareness Committee contacted the trustees to request permission to erect a “wire cage” by Walter Gould’s grave for Memorial Day. This is in conjunction with the “Teacher Tidbit” program at the school. The month of May is focused on Walter Gould who served overseas during WWI. People are encouraged to place poppies on this “cage”. The poppies are available at the School, Town Office and Library.
The trustees voted 3 to 0 to allow the poppies for Memorial Day with the understanding that they be removed by the first week of June.
