Working meeting at the Kimball Pond Conservation Area (KPCA)

Commission members met at the Kimball Pond boat launch at 5:00 PM prepared to work. Some logs were removed from the spillway and all litter in that area was bagged. Members then collected trash along Legache Hill Road to "Bud Point" where the bags and construction debris completely filled Jim Stone's pick up truck. Jim drove the load to the transfer station where he and George unloaded it.

NEXT MEETING: July 11, 2012 at Bela Brook Conservation Area, 5:30 PM

RESPECTFULLY SUBMITTED: Darlene M. Jarvis
