

CONSERVATION COMMISSION MEETING

DATE: May 8, 2013

MEMBERS PRESENT: Jim Stone, Darlene Jarvis, Mel Gendron, Ron Jarvis

Alternates Present: Matt Lavey

MEMBERS ABSENT: Brett St. Clair, George Holt

Alternates Absent: Drew Groves, Stan Sowle, Margaret Watkins

Commission members met at the Kimball Pond boat launch in order to haul away a number of cabinets dumped off Leg Ache Hill Road before inclement weather moved in. Jim Stone provided his truck once again and the load was brought to the transfer station.

Jan and Janet Van de Bogart met briefly with the Commission at the boat launch in regards to a resident's plans to build a large structure for laying hens adjacent to their property. The Van de Bogarts expressed a few of many concerns including the topography of the lot. In response members present explained that the Commission is not aware of any wetlands permit being filed. To date the Commission has not been approached by any local or state agency concerning such a permit.

NEXT MEETING: June 12, 2013, 7:30 PM

RESPECTFULLY SUBMITTED: Darlene M. Jarvis
