

Welcome Dunbarton Softball parents,

My name is Jeff Roberge and I am the President of Bow Youth Softball in Bow. It is with great pleasure to welcome you to our Softball program. We have a great group of volunteers and kids who enjoy the game of softball. Our mission statement for Bow Babe Ruth Softball League Inc. is to provide local youths with maximum opportunities to experience, develop skills and enjoy the benefits of softball. This is achieved through healthy competition while learning skills, sportsmanship, fair play, team work and a respect for others and the rules of the game. Bow Softball is committed to providing its youth a safe environment and the best educational and sports experience through quality adult guidance, equipment and facilities. [Click here](#) for sign ups and to register your daughter(s). If you are not familiar with Bow we are part of the Bow Athletic Club, which is what you will be going through to sign up for Softball and everything is done online.

A typical season starts with indoor workouts in March for our girls and then once the fields open up we will have two practices a week with a game or two during the week once we get into the season. We are a part of a Cap Area Softball League which is made up of Concord area teams. We typically end our season before school gets out for the summer. We are also looking for two Dunbarton players parents to be part of our softball Committee. Any questions or concerns please reach out.

Looking forward to a great Softball season!

Bow Softball President

Jeff Roberge
