

CONSERVATION COMMISSION MEETING

DATE: September 12, 2012

MEMBERS PRESENT: Brett St. Clair, Jim Stone, Darlene Jarvis, Mel Gendron, George Holt, Ron Jarvis

Alternates Present: Matt Lavey

MEMBERS ABSENT: Stan Sowle

Alternates Absent: Margaret Watkins

MINUTES: Minutes from August were accepted

Members met outside the Town Offices at 5:30 PM before carpooling to Clinton Street where the power lines cross over the highway. Commission members walked south under the lines to the area where a number of very large boulders sit. Here George Holt shared his knowledge of the geology of the area. George explained that the boulders are two mica granite and not actually glacial erratics and why. He discussed the geological survey maps of the area which he brought with him. Brett suggested the area be utilized for a conservation walk and the boulders be considered for the Commission's "wonders of Dunbarton" list.

NEXT MEETING: October 10, 2012, 7:30 PM in the Town offices

RESPECTFULLY SUBMITTED: Darlene M. Jarvis
