NEW BUSINESS: Selectmen Dave Nault came to the meeting asking the TFC if it had land it was interested in setting aside as old growth forest. Ron Jarvis mentioned the Kuncanowet Natural Area off of Everett Dam Road could not be cut by virtue of restrictions placed on it by the Piscataqouq Land Conservancy who donated to purchase the land. Ron also mentioned that the south end of the Kuncanowet because of its remoteness was discussed by the Kuncanowet Committee as a possible future old growth forest.

Dave Nault also asked if we would be willing to plant more trees on the Town common. The Committee has in the past paid for pruning and replacement of the common’s trees.
