OLD BUSINESS:

Kimball Pond dam repairs

Stan Sowle, Jeff Crosby, and Lee Martel were credited with the outstanding work done this fall on the dam. All the stop logs have been replaced and some needed masonry work done.

Stone Farm project

Margaret Watkins informed the commission that it may be early next year before the closing takes place due to a few boundary/surveying errors which went unnoticed until now.

NEW BUSINESS:

Timber cut/Kimball Pond Conservation Area

Stan Sowle and Ed White have worked to finalize plans to have an area of timber harvested. The cut should be performed this fall in the conservation area south of Kimball Pond Road. George Holt has gotten the necessary wetlands permit. Stan will oversee the cut.

UPCOMING EVENTS:

November 18, 2016 (Friday) – Monitor Kimball Pond Conservation Area with Tracy Boisvert, meet at 1:00 PM at the boat launch
