The meeting was called to order at 7:05pm by Co-chair Margaret Watkins with the following people present: Margaret Watkins, Clem Madden, Shelley Westenberg, Bob Martel, Sue Bracy, Don Larsen, John Stevens, Enid Larsen

A correction was made to the previous month’s meeting minutes, and a motion was made by Don to accept the minutes as corrected, seconded by Shelley. Minutes were approved unanimously.

Margaret, Sue and Enid will provide baked goods for the upcoming concert on May 23. The concerts continue to be a popular draw and a great help in keeping public awareness of the Restoration Project. Curt and Beth have concerts booked up through September 28.

John submitted several renderings showing different options for the placement of the second story addition, prompted by suggestion at last meeting we explore 2nd access for the general public through the back of the room. He explained the drawings and discussion followed. One concern with the bump out on the northeast corner of the building was the placement of the LULA lift and its relation to various doors. Alternative locations were proposed for the lift as well as the necessary storage areas.

John estimated the cost of the lift at between $50,000 - $70,000. Don suggested a Go Fund Me page or other fundraising strategy might be to request donations based on the height required for the elevator to travel from the first floor to the second floor.

It was suggested that Dave Nault be contacted to get some current estimates from sprinkler and electrical companies he works with.

Committee members expressed interest in revisiting the upstairs to get a better idea of the space involved. Those who will be at the Town Hall for AOTC photo op Saturday AM go up then. Margaret will check with Jon Wiggin and the Board of Selectmen chair for their permission.

The next meeting will be July 24. If everyone has not seen the upstairs by then it was suggested to complete the tour at that time. The tour would start at 6:30.

Clem made a motion that the meeting be adjourned, Enid seconded it, meeting adjourned at 8:30.

Respectfully submitted,
Enid Larsen
Secretary
