Shelley Westenberg made a motion to accept the minutes, seconded by Beth Boucher. Minutes were accepted with no changes 8-0.

The committee discussed the Garden Club Halloween plans and how the Town Hall Restoration Project is doing the movie aspect of it.

The committee discussed the using the stairway foyer area of the Town Hall as a performance space to raise awareness about the project and interest in restoring the building. John was going to contact to the Spireside music list, and Curt was going to look into musicians at a venue he’s familiar with.

The committee discussed having a winter carnival on the Town Common in conjunction with the PTO which could possibly include snow/sled rides, ice skating, snow sculpture contests, etc. Committee members were asked to think about activities that have worked well at winter fests they’ve attended.

The committee discussed the need to seek any town funds (2018 Town Meeting) for the project at this time. Currently the committee doesn’t see a need.

The committee had discussions about other ideas to raise awareness about the Town Hall and its utility in building the community.

John Stevens presented an alternative possibility to the previously proposed addition as designed by Dennis Mires.

The meeting adjourned at 8:30.
Respectfully submitted,
Clem Madden
